

FOORD GLOBAL EQUITY AUSTRALIAN FEEDER FUND

The master fund aims to achieve long-term capital growth from an actively managed and diversified portfolio of global developed and emerging market equities and to thereby outperform its MSCI All Country world equity benchmark, without assuming greater risk. The fund is appropriate for investors with a long investment horizon and who can withstand bouts of investment volatility in the short to medium term.

IMPORTANT INFORMATION FOR INVESTORS

This is a marketing communication. Investors should read the Product Disclosure Statement ("PDS") – available in English at www.foord.com – and seek professional advice or consider investment suitability before investing in the fund. This document is not an advertisement but is provided for information purposes and should not be regarded as an offer or solicitation to purchase, sell or otherwise deal in the fund.

Foord does not guarantee the capital invested or the performance of the investment. The portfolio includes qualifying investments listed on regulated exchanges outside the fund's domicile that carry risks as described in the prospectus, including the possibility of non-recoverable withholding taxes and non-repatriation of funds. Investment values and some costs may fluctuate because of factors including but not limited to currency exchange rates that can be affected by a wide range of economic factors.

Economic forecasts and predictions are based on Foord's interpretation of current factual information, and exploration of economic activity based on expectation for future growth under normal economic conditions, not dissimilar to previous cycles. Forecasts and commentaries are provided for information purposes only and are not guaranteed to occur.

While we have taken and will continue to take care that the information contained herein is true and correct, neither Foord, Equity Trustees nor any of their related parties, employees or directors, provide any warranty of accuracy or reliability in relation to such information or accepts any liability to any person who relies on it.

The document is protected by copyright and may not be altered without Foord's consent.

UNIT PRICING AND TRANSACTIONS

Application or Withdrawal price is determined in accordance with the Fund's Constitution on a Business Day. In general terms, the price is equal to the Net Asset Value ("NAV") of the Fund, divided by the number of units in issue and adjusted for current transaction costs of 0.15% which is also known as the buy/sell spread.

MORE ABOUT THE FUND

Equity Trustees Limited ("Equity Trustees") (ABN 46 004 031 298), AFSL 240975, is the responsible entity for the Foord Global Equity Australian Feeder Fund. Equity Trustees is a subsidiary of EQT Holdings Limited (ABN 22 607 797 615), a publicly listed company on the Australian Securities Exchange (ASX: EQT). Neither Equity Trustee or any of its related parties, their employees or directors, provide any warranty of accuracy or reliability in relation to such information or accepts any liability to any person who relies on it.

This document is prepared by the investment manager which is licensed as a foreign Australian Financial Services Licensee (AFSL 542514) to provide financial services to wholesale clients in Australia.

The fund invests exclusively in Class B shares of Foord SICAV - Foord Global Equity Fund (Luxembourg) (the "Master Fund"). The Master Fund is actively managed and not constrained by the benchmark in its portfolio positioning. The Manager actively decides on the portfolio's asset selection, regional allocation, sector views and overall level of exposure to the market to take advantage of investment opportunities. The Master Fund can borrow up to 10% of NAV and does not engage in scrip lending. Since inception, no distributions were declared as the units are accumulation units.

NOTES

- ¹ Returns net in AUD and annualised for periods greater than one year, meaning they are converted to reflect the average yearly return for each period presented. Past performance is not indicative of its future performance.
- ² Current value of 100 000 notional currency units invested at inception (graphically represented in A\$'000s above).
- ³ Australia Fund Equity World Large Blend (provisional). Source: Morningstar.
- ⁴ Returns prior to 11 August 2022 include the Master Fund's past performance, in AUD equivalent based on prevailing foreign exchange rates. The Master Fund, a Luxembourg-domiciled UCITS fund incepted on 2 April 2013, has the same investment objectives and policies, comparable cost structure.
- ⁵ Source: Bloomberg and internal.
